Castlemorton Environmental Action Group

Re- Scheduled Event

Solar Power

Solar panels provide electricity free of charge, are easy to install and reliable. Because of the increase in electricity cost they have become an extremely attractive investment.

Do you want to know more about them?

- Decrease your electricity bill.
- Get a good return on your investment.
- Is your property suitable?
- Would you like to decrease your carbon footprint?

Come to our presentation by local people with no commercial bias and discuss the advantages and disadvantages.

Castlemorton Parish Hall Tuesday 26th July at 7:30pm

Free entry with tea or coffee and biscuits provided.

This event is sponsored by Castlemorton Parish Council
